Zhurav Denis

SOC Analyst

Summary

A cybersecurity student with substantial hands-on experience in network security, Linux, and web application development (MERN stack). Skilled in using leading security tools (Burp Suite, Wireshark, Nmap). Proactive and resilient, ready to swiftly apply knowledge to identify vulnerabilities, counter cyber threats, and enhance an organization's digital security.

Education

National University "Lviv Polytechnic"
Bachelor : Specialization: 125 Cybersecurity

Lviv, Ukraine
Start-End Year: 2025/2028

Drohobych Mechanical-Technological College
Specialization: Software Engineering

Drohobych, Ukraine
Start-End Year: 2020/2025

Non-commercial Experience

- Trained extensively on Hack The Box, TryHackMe, and Portswigger to enhance vulnerability analysis techniques.
- Developed full-stack web applications and deployed secure authentication systems(QR-code attendance scan for college, finance tracker, etc.)).
- Simulated real-world network environments using Cisco Packet Tracer to test routing, VLANs, and DHCP configurations.
- Competed in multiple Capture The Flag (CTF) competitions(industrial intrusion CTF, Cyber Unit UNITED CTF 2025)

Activities

- Achieved victory among 12,000 participants at the Binance x Cyber Police Cyber Security Camp
- Participated in cybersecurity events including CyberDive, IT FutureFest, and local InfoSec meetups.
- Actively developing skills and seeking opportunities

Skills

Technical Skills

- Networks: OSI, TCP/IP, DHCP, DNS, VLANs, SSH, Telnet, HTTP, VPN
- Familiar with SIEM like SPLUNK, IPS/IDS, DLP.
- Operating Systems like Linux/Windows: Experience with command line and basic administration. Work with Active Directory, PowerShell.
- Security tools: Burp Suite, Wireshark, Nmap, cURL, wpscan.
- Web security: OWASP Top 10, JavaScript, Node.js, MongoDB.
- Concepts: MITRE ATT&CK, basic OSINT.

Soft Skills

- Proactivity: Always looking for ways to improve and prevent issues.
- Initiative: Ready to take responsibility and propose new solutions.
- Stress Management: Maintain calm and efficiency in stressful or conflict situations.

Language Proficiency and communications

- Ukrainian - native
- English - B2
